Millsboro Professional Center

Dagsboro Hundred | Millsboro, DE 19966

Millsboro Professional Center consists of 3 modern state of the art buildings and ample parking for each. Building #3 was completed in 2023 and has a 2400 SF medical office suite available for immediate occupancy.

Buildings #1 and #2 are under construction and scheduled for a 2025 completion date. Sussex county is one of the fastest growing areas in the mid-atlantic region and is seeing a mass migration of retirees looking to take advantage of Delaware's favorable tax code and lower cost of living.
